Nature of dispute and description of your disagreement (attach additional pages if necessary):

It has been 4 years and I am not any further than I was 4 years ago - All I can tell you is on January 4, 2004, my basement had 4 inches of water backup due to rain. At the time the Metropolitan Sewer District was working on sewers in the street - My plumber said, after digging up my front yard, that there was even -
ually a problem, but my dispute is why did the backup happen at the same time the sewers were being worked on.

Date of City's decision (please attach):

March 19, 2004

Describe the Relief that you are seeking and any evidence that you have to support your claim. Please attach your original claim and other documents (receipts, photos, videos, etc.) that you would like the Court to review:

Some reimbursement for my trouble and repairs to put things back in order. MS D and Legal Aid Society of Greater Cincinnati has all the information, photos necessary. Can't you get this from them? Jessica Powell was helping me from Legal Aid. Too much to mail.
